The 1977 edition of Red Raider football duplicated last year's mark of 5-5. Hard work and enthusiasm paid off in several big wins. Although losing some outstanding seniors, the Raiders have enough experienced players returning to provide a fine nucleus for next year's team.

Four seniors gained post season recognition as a result of their football skills. On the All-Central Tennessee Conference team were Steven Duncan and Duane West. Selected for the Nashville Banner's Region II AAA All-Midstate team were Steven Duncan, first team and Robert McCarver, second team. Duane West and Yogi Yother were awarded honorable mention. West was also placed on UPI's All-State team.

Homecoming 1976

Although the 1976 Homecoming festivities were marred by rain, spirits ran high and everyone had a good time. Below: Jennifer Bass, Patricia Green, Tricia Willis, Sabina Mosso, Leanne Munsey, and Kim Keylon.

The Red Raider track team is looking forward to a good year with promising prospects back from last year. Danny Sherrill and Ronnie Gober, returning from a 880 relay team that finished 4th in the region, are expected to be tough competitors in the sprints. Also returning is Marc Smotherman, who finished first in the district and fourth in the region. A strong corps of distance runners will prove to be a definite asset.

The Manchester Red Raiderette track team is anticipating a great year. Built around a core of several experienced seniors and juniors, the Raiderettes are probable district contenders. The Raiderette relay teams appear to be top prospects for high finishes this year. Central High School's first girl's cross country squad was formed this year.

Most of the band and choir members all share a certain common interest — a love for music. Among all the wrong notes, forgotten rhythms, and confused marching techniques, a love for music still exists among the members. All work hard and put their hearts into what they are doing to have a great performance. It takes every person giving 100% to do his best. Every member realizes how much the hard work pays off after the band or chorus wins a trophy or good-rating at festival. One has to truly love music and commit himself to it in order to do his very best.

Kae,

I must say you are one of my very bestest friends in the world. I really think a lot of you as a person and a friend. I enjoy talking to you because I know you'll always listen. Just Remember I'm always here when you need me anytime day or night. We must get together and "goof around" this summer & what a summer it will be. Always remember me cause I will you. Stay the same sweet kind hearted person you are.

Love Always,

Kathy KP

P.S. Remember our apartment!!

Juniors"

Kae,
 Well I could
 write a book about how
 much you mean to me. At one
 time, you were my dream but that
 ended because you were so much
 better than me. But I will be
 satisfied just being close friends
 with you now. Truly, you
 mean alot to me. I hope
 you will always have the
 best in everything. Good
 luck always and may God
 bless you.
 Love you always,
 Jeff Spig

Kae,
 I'm so glad that you're
 here in Manchester, and that
 I'll have gotten to know you!
 I really hope you like it here,
 because all of us really care about
 you. You're a great person, and you
 have a wonderful personality. Danny
 really seems like a good ol' down to earth
 guy, and I wish you all the luck with
 him. Good luck, in all you do!
 Love you!
 Lisa J.

KAE,

On your long rough road
through life remember that
people all over this world who
live you've touched and they'll
never forget you. I know I won't
and I'll do anything I can for
you. You're a really sweet girl
and though you're a little misbe-
haved I'm sure you'll go far in life
just try to understand what
people do and stand up for
what you believe in, only rem-
ember. It's up to you as to
what you make out of your
life. You've got the talent, looks,
and personality to go far. Do
don't mess it up. Always think
of the good side of things.
Come visit me and James
sometime and I'll try to
need a friend I'll try to
be there you to help. Remember
me always and I want you
to know it's added alot to my
life to know someone like you.
Stay outa Trouble. Love Ya Always

"Reserved" for Danny!

Kae,

Well what can I say. Even though I didn't know you, but this year we have become very close to each other. We've had so much fun together. Remember all the double dates we had with Sil & Pam, Chris & Michelle, I do and I know that I will never forget them for as long as I live. I hope that we can go to Waverly Co. this summer so that we can be with our friends, I'd really like for you to meet my uncle, the one I fish with all the time. I don't guess you know that I fish a lot do you? I'm glad that I called you about Sharon, (your cousin). I guess if I hadn't we probably wouldn't of even known each other. I always wanted to call and talk to you but I knewed the you and John were dating so I didn't so I finally found an excuse to call you. It seems like we got together over night I'm glad we did, and I hope that it stays that way. Sugar be proud to have some great people like Ray & Jane, they are so sweet to me, and I know that they love you very much, because if they didn't they wouldn't even care what you did. Ray stay sweet always, you are a great person, especially to me. Just remember that I love you Kae, always be good. Take care and may God be with you and your family always with all my love to you Danny
